ACRYFLASH COLLARS

Product

CA Group manufactures a range of acryflash collars. The acryflash collar has the malleability and density of lead for easy installation and the environmental protection of a thermobaked acrylic paint coating. CA Group offers industry standard sizes and a made to order service for acryflash collars. CA Group combines modern day sheet technology to produce a durable collar for all roof flashing applications.

Applications

- For tile and slate roofs
- Pipes, vents and flues
- Satellite installations
