D-LEAD Respirator & Laundry Detergent

Product

D-Lead Respirator and Laundry Detergent is a concentrated, low-sudsing, phosphate free liquid detergent that lifts and suspends the widest range of metal contaminants, dirt, grease, grime and tough stains.

Applications

D-Lead Respirator and Laundry Detergent has the special ability to release metal particles from fabrics during the wash cycle. Concentrated cleaning agents, water softeners, whiteners and special brightening additives offer complete and vigorous one-step cleaning, thorough water softening, colour safe brightening and effective metal decontamination.

The diluted product can be used for work shirts, pants, aprons, lab coats, gloves, towels and all work apparel.
