

UBIFLEX FINIO

WATERPROOF FLASHING

May 2023

TECHNICAL INFORMATION:

DESCRIPTION:

Ubiflex Finio is a high-quality waterproof flashing made of Poly Iso Butylene (PIB) with aluminium mesh reinforced Internally. It has been developed for quick and easy installation and to withstand harsh weather conditions, keeping its superb product benefits and installation features. Ubiflex Finio features two butyl strips to adhere it in place on the roofing surface.

CHARACTERISITICS:

- Designed and manufactured in accordance with AS/NZS 2904:1995 – damp proof courses and flashings
- Tested and complies with AS/ NZS 4347.1 determination of water permeability, AS/ NZS 4347.3 pliability and AS/ NZS 4347.6 falling dart impact
- Tested and complies with AS/NZS 4020:2018 – testing of products for use in contact of drinking water
- Fire classification according to EN 13501-1:2018: E
- UV resistant after exposure at 3000 hours UV-B
- Application: flashings and damp-proof courses.
- Classification: Exposed

UBIFLEX FINIO

SPECIFICATION:

ATTRIBUTES	STANDARD	DESCRIPTION / RESULTS
Top layer		PIB(Butyl)
Bottom layer		PIB (Butyl)
Aluminium base material		-
Aluminium mesh material		-
Butyl strips		PIB (Butyl)
Release liner		White
Release appearance		Cut into 2 halves
Thickness (mm)	EN 1849	1,9 ± 0,1
Tensile strength longitudinal direction (N/50mm)	EN 12311 (A)	395
Elongation at break longitudinal direction (%)	EN 12311 (A)	92
Tensile strength transverse direction (N/50mm)	EN 12311 (A)	767
Elongation at break transverse direction (%)	EN 12311 (A)	23

USES:

- Suitable for all flashing applications, faster installation time than other flashing products
- Remains strong and durable in a wide temperature range: -30°C / +140°C

UBIFLEX FINIO

May 2023

- Does not soften, melt, evaporate or become brittle due to harsh weather conditions
- Easy to dress into shape by hand or bossing tools. Cut with scissor or knife
- Good wind uplift resistance
- Application in long lengths without expansion joints
- UV-resistant
- Inert to common building materials e.g. metals, wood, cement
- No staining effect on building surfaces
- No health risks such as lead poisoning or risks associated with lifting materials

APPLICATION:

UBIFLEX FINIO

May 2023

PACKAGING:

- 300mm x 5m Black Grey Terracotta
- 350mm x 5m Black Grey Terracotta
- 600mm x 5m Black Grey Terracotta
- 300mm x 1m Black

(on some cut to size orders, minimum quantity requirements apply).
